

Academy Charter School

“a public school of choice”

December 13th, 2007

Dear ACS Middle School Students and Parents:

My name is Lauren Gallagher and I am thrilled to be coming to work at Academy Charter with your children. I have been teaching middle and high school math for a quite awhile now. I have been working part time with Aurora Public Schools at an Options School for home schooled kids for the past 3 and a half years. Before that I had taken time off to be home with my children. My husband and I and our three children have lived in Castle Rock for 6 years now. Before having out first child, I worked full time at a middle school in Parker for 4 years. As well as loving to teach, I love reading, traveling, singing, and playing with my family. I am looking forward to getting to know you and your children.
