

DOUGLAS COUNTY SCHOOL DISTRICT FUNDRAISER

HOW IT WORKS

- **PAPA JOHN'S PIZZA:** We will be donating \$0.50 back to Douglas County schools for every order that uses a unique code. *(The code is worth \$0.01 and is simply a way to track the order)*
- **INSIDERS:** Please be ready for customers to say “I want to give you my school code so that \$0.50 will go back to my school” or “I have coupon code for Academy Charter School..”
- **CUSTOMERS:** Supporters will be calling to place orders with their unique school promo/coupon code to support their child’s school.
- **TAKE THE ORDER AS USUAL**
- **ENTER THE CODE:** Enter the school code just like you would a regular coupon code.
- **YES:** guests may use other coupons with these unique codes. *(Simply enter the unique codes just as you would a regular coupon code.)*
- **CUSTOMER CANT REMEMBER THE CODE:** If a guest calls to place an order and cannot remember their school’s unique code, simply type in the first letter of the School’s name and all of the options will pop up in the profit system.
- **CHEAT SHEET:** A cheat sheet of codes will also be provided to each store but the profit system is the easiest way to locate a code.
- **THANK THE CUSTOMER:** Do your best to thank the customers for their order and support of their school.

Contact your District Manager with questions or concerns. Your feedback is encouraged as this is a new program we are still trying to learn about. Thank you!
