## Fundraising:

We are partnering with local, uniform required, schools to help in their fundraising efforts. With every item we sell, we'll give back 10-50% to the school.

## What We Do:

UniformConsignment.com purchases gently used school uniforms, repairs, launders, and resells at discounted prices. .

**DONATING BACK.** With every item purchased for a student of ACS, they will give back 10% of the sale to the PTO. If parents wish to sell items and donate the proceeds, they will give 50% back (the parent's 40% plus their already committed 10%) on every item purchased. The more parents participate, the more selection there will be to choose from. They currently have a wide variety for both girls and boys of all ages.

**SELLING.** For every item parents have to sell, UniformConsignment.com pays 40% of the anticipated final sale price. They will be working with the PTO to schedule a fall and spring "Buy Back Event" where you can bring items and receive a check on the spot. This is tentatively planned for either the end of September or the beginning of October.

**BUYING.** UniformConsignment.com makes it convenient for parents to buy and sell during the year. They offer easy, 24/7 online access, accept credit cards, and offer a 7 day return policy. Their pricing is between 50-75% of retail.

Many of the clothes are new or look new and are in great shape. Items with a bit more wear are deeply discounted and still meet school uniform code. Please check their website and if you need specific sizes that are not available they have a “request a size” section where you can complete a “wish list”. You will be notified as soon as those sizes or items are in stock.

They do offer free delivery in the Denver Metro/Castle Rock area and will make it as convenient as possible for everyone.
